

# THE DELEGATE EXPERIENCE

## TOURISM TOP END HAS YOUR BUSINESS EVENT IN DARWIN COVERED!

Tourism Top End (TTE) can provide a free streamlined service to take all the hard work out of pre and post touring for delegates. We understand in most circumstances, delegates are time poor so we offer customised itineraries to suit individual timeframes and budgets. Many delegates have not visited Darwin previously, so as a host city, our aim is to ensure that these business visitors have an amazing and unique experience in our beautiful tropical city.

Tourism Top End can deliver:

- A **BOOK NOW** tile (see left) on your conference website that links directly to a personalised page on the TTE website which offers a handy **'TEN THINGS TO DO IN DARWIN'**. These tiles can be supplied in any format or size as required and we can include the event logo. The tiles can also be placed on your confirmation emails to delegates.
- **THE TOP END HOLIDAY GUIDE** is an online publication to help delegates plan pre and post activities prior to their trip.
- A **24 HOUR BOOKING AND INFORMATION SERVICE** online at

[tourismtopend.com.au](http://tourismtopend.com.au). This service includes a trip planner, an up to date events page, detailed information on each of the regions in the Top End and the entire **WEBSITE CAN BE CONVERTED INTO 80 DIFFERENT LANGUAGES**.

A **WELCOME PACK** consists of a welcome letter and the **DESTINATION DARWIN PUBLICATION** to help assist the delegates with useful maps, information and tips on how to explore the beautiful Top End of the Northern Territory.

A **CONCIERGE SERVICE** during morning tea, lunch and/or afternoon tea at the conference consisting of passionate ambassadors of the Top End. They provide local knowledge, information, directions and a booking service all delivered with a friendly smile.

A nominal fee is applicable.

The **'DARWIN WELCOMES DELEGATES'** program connects delegates with local businesses who provide delegate specific products; special offers; discounts; 2 for 1 offers; upgrade offer; special gift or bonus for purchase. The program is a customer service focused initiative which aims to improve the delegate experience in the Top End and make delegates feel special.

Delegates can access the information via a dedicated, customised landing page which welcomes the delegates and provides a platform for all the products and services on offer. On arrival to the conference in Darwin, delegates are provided with a lanyard pass (includes the logo featured left and the dedicated URL) which they present to the participating businesses to redeem the product or service.
