SPACE to Think
WELCOME TO DARWIN NORTHERN AUSTRALIA

Darwin, the spectacular tropical capital city of Australia’s Northern Territory, is a dynamic, unique and ideal destination for your next conference or business event.

Darwin is a naturally beautiful city set on a stunning harbour peninsula. With its lush tropical parklands, turquoise water, striking coastal scenery, modern city skyline, wonderful waterfront precinct and blazing sunsets, Darwin is a dazzling dream come true for those lucky enough to experience it.

Darwin itself is a vibrant, modern metropolis with a thriving business culture based on innovation and enterprise.

Thanks to its strategic location at the spectacular Top End of Australia, close access to Asia and ongoing development of its many natural assets, Darwin has developed considerable strategic strengths across the fields of agribusiness, tropical health, mining, international education, oil and gas, renewable energy, tourism and defence.

So it’s no wonder Darwin attracts so many visionary leaders and entrepreneurial organisations from other countries to its shores.

Darwin is also home to a diverse mix of more than 60 cultures, including the area’s traditional owners, the Larrakia people, who themselves have historically enjoyed close relationships with both the sea and regional neighbours they traded with. This amazing diversity is reflected in Darwin’s welcoming customs, multicultural fare, exciting cultural festivals and array of colourful weekly markets.

With its year-round tropical weather, relaxed outdoor lifestyle, thriving business environment and quintessential Top End adventures, Darwin promises to offer delegates space to think, opportunities to learn and time to network.
